CYANOTYPE

european  
creative  
hubs  
network

HOSTED BY

di:angewandte  
Universität für angewandte Kunst Wien  
University of Applied Arts Vienna

An initiative of the European Commission

# Host an Event as Part of Creative Skills Week 2023!

Creative Skills Week 2023 is designed to gather the creative and cultural skills community to collaborate, co-create and commune in new, unique and innovative ways.

Interested organisations and individuals are welcome to submit their own activities, projects, events (either in-person or online) to be programmed as part Creative Skills Week 2023.

## **Benefits of hosting your own event**

- Raise your organisation's profile
- Network with international colleagues
- Join a vibrant active creative skills community
- Get online access to CSW2023 hybrid events
- Showcase your research, work or creative activities
- Access the CSW2023 Event App
- Promote your event on the CSW2023 website
- Benefit from the support of the CSW2023 team

# Add your Event to the CSW2023 Programme

Creative Skills Week 2023 gives CCIS stakeholders the opportunity to promote their online or in-person events, debates, and skills related activities to a captive international audience in Vienna and beyond. Add your event to our programme by filling [in this form](#).

**Please ensure that:**

- The activity is in line with the ambition of the Creative Pact for Skills Manifesto;
- The institution organising the activity is part of the Pact for Skills for the Cultural and Creative Industries (CCI) Ecosystem or affiliated to one of the signatory organisations (for example, a member of a network);
- The activity takes place during 10-13 October which are the dates of Creative Skills Week 2023, either in Vienna or online.

# Event Guidelines

Selected events will be listed as part of the CSW2023 general programme on [www.creativeskillsweek.eu](http://www.creativeskillsweek.eu).

Details of the different events should feature on the applicant organisation's website.

Please note CSW2023 does not provide funding, logistical support or automatic registration to other activities. Event organisers are solely responsible for the implementation of the activities listed on the Creative Skills Week website.

**[Upload your logo to be featured on the CSW2023 website here.](#)**

Use the Creative Skills Week logo in your communications.

Remember to use the **#CSW2023** hashtag on your social media channels when sharing your event!

## Use the Creative Skills Week 2023 logo

The logo should be used on all your online and offline materials. To be effective the logo must be used consistently. You can download the Creative Skills Week 2023 logo [here](#). In **CSW2023 Main Logos** Library you can find the logo in different formats.

We recommend placing the logo in the corner of the image.

# Be Part of European Year of Skills!

Creative Skills Week 2023 is a registered activity of the European Year of Skills, an initiative of the European Commission to support the skills development and stimulate new educational approaches. Submitted activities do not automatically receive the European Year of Skills registration.

Organisers of the events/activities are responsible for registering it to the European Year of Skills website. You can add your event to the 'Events Map' by filling in this form.

Are you on the map? Remember to use the logo and communications materials. Use #EuropeanYearOfSkills on your social media channels and share your event!
